REVOLUTION

Revolution showcases the best rotisserie techniques from around the globe, executed with a unique element of tableside carving. This inventive concept blends world flavors with the art of procuring the finest ingredients through a buy-local approach. Our products are locally sourced from Colorado farmers. Revolution offers a conscious cuisine that blends spit-roasted meats, poultry and vegetables with flatbreads, and an assortment of dipping sauces that will awaken your palate. Join us for breakfast, lunch, and dinner.
